IMPORTANT INFORMATION
Concerning Your Motor Vehicle Insurance

FL OFFICE OF INSURANCE REGULATION

Florida law requires us to advise you that this policy termination will be reported to the Florida Department of Highway Safety and Motor Vehicles. Failure to maintain personal injury protection and property damage liability insurance on a motor vehicle when required by law may result in the loss of registration and driving privileges in this state. A suspended driver's license or a suspended registration may be reinstated upon payment to the Department of Highway Safety and Motor Vehicles of a nonrefundable reinstatement fee of \$150 for the first reinstatement, \$250 for the second reinstatement and \$500 for each subsequent reinstatement during the 3 years following the first reinstatement. Other requirements may be imposed by statute in addition to the payment of reinstatement fees.

We welcome the opportunity to provide your future insurance protection. If you wish to pay the above Amount Due by mail, the payment amount will not be applied unless such payment is accompanied by the remittance slip. If the remittance slip is not included with a payment by mail, the payment will be applied to other policies on the Billing account and allocated as set forth in the Billing and Payment Agreement.

When you provide a check as payment, you authorize us either to use information from your check to make a one-time electronic fund transfer from your account, or to process the payment as a check transaction. When we use information from your check to make an electronic fund transfer, funds may be withdrawn from your account as soon as the same day we receive your payment, and you will not receive your check back from your financial institution.
