NOTICE REGARDING THE CONSEQUENCES OF FAILURE TO MAINTAIN AUTOMOBILE INSURANCE

This policy termination will be reported to the Florida Department of Highway Safety and Motor Vehicles as required by law. Failure to maintain personal injury protection and property damage liability insurance on a motor vehicle when required by law may result in the loss of registration and driving privileges in this state. A suspended driver's license or a suspended registration may be reinstated upon payment to the Department of Highway Safety and Motor Vehicles of a nonrefundable reinstatement fee of \$150 for the first reinstatement, \$250 for the second reinstatement and \$500 for each subsequent reinstatement during the 3 years following the first reinstatement. If a person does not have a second reinstatement within a 3-year period after the initial reinstatement, then the first reinstatement fee after this 3 year period will be \$150. Other requirements may be imposed by statute in addition to the payment of reinstatement fees.

If you, or any driver under your policy, were involved in an accident which is listed as a reason for nonrenewal in this notice, you may be entitled to renewal if any of the following conditions apply.

The insured vehicle was:

- a. Lawfully parked, or
- b. Struck in the rear by another vehicle headed in the same direction and the operator was not convicted of a moving traffic violation in connection with the accident, or
- c. Hit by a "hit-and-run" driver and the accident was reported to the proper authorities within 24 hours of discovery, or

The operator of the insured vehicle:

- a. Was reimbursed by, or on behalf of a person responsible for the accident or has a judgment against such person, or
- b. Was not convicted of a moving traffic violation in connection with the accident, but the operator of the other automobile involved in such accident was convicted of a moving traffic violation, or
- c. Was finally judged not to be liable by a court of competent jurisdiction, or
- d. Was issued a traffic citation which was dismissed, or which the prosecutor declined to prosecute, or
- e. Was not at fault, as evidenced by a written statement from the insured which provided facts demonstrating lack of fault, which facts are not rebutted by information in our files, from which we, in good faith, determined that the insured was substantially at fault.

These conditions do not prohibit nonrenewal if there have been three or more accidents, regardless of fault, during the most recent 3-year period. There are other circumstances under Florida law where these conditions would not prohibit nonrenewal.
