Uninsured Motorist Coverage:
Annual Notice of Option to Change Coverage – 2025

Uninsured Motorist Coverage pays anyone legally entitled to recover damages from owners or operators of an uninsured motor vehicle because of bodily injury, sickness, or disease, including death, resulting therefrom. Other benefits, such as certain medical expenses, lost wages, and pain and suffering, subject to limitations and conditions contained in the policy, are also included.

This coverage may be carried with any available limit up to, and equal to, the Bodily Injury Liability Coverage limit of your State Farm Classic+® policy. Uninsured Motorist Coverage may be purchased on a 'stacked'* or 'non-stacked' limit basis.

Unless you choose another option, insurance policies that provide Liability Coverage must also include Uninsured Motorist Coverage equal to the Bodily Injury Liability limit in your policy.

You have the option to:

1. Reject Uninsured Motorist Coverage entirely;
2. Select Uninsured Motorist Coverage at the limit equal to your current Bodily Injury Liability limit (either 'stacked' or 'non-stacked'); or
3. Select Uninsured Motorist Coverage at a limit less than your current Bodily Injury Liability limit (either 'stacked' or 'non-stacked').

Your Uninsured Motorist Coverage selection/rejection applies to:

1. All insureds under, and all vehicles on, this policy; and
2. Any additional or replacement vehicles that you may add in the future; and
3. All future policy renewals, replacements, reinstatements, endorsements, continuations, and amendments in your policy if issued at the same Bodily Injury Liability Coverage limits as when this selection/rejection was made;

unless you notify us otherwise in writing.

If you would like to change your coverage selection, please contact your State Farm agent.

*PLEASE NOTE THAT IF THE NAMED INSURED IS NOT A NATURAL PERSON, COVERAGE IS ONLY AVAILABLE AND PROVIDED ON A 'NON-STACKED' BASIS.
